7 November 2018

FROM THE PRINCIPAL'S DESK

Cyber safety expert John Parsons is again working with our staff and students on November 13th. He will be available for a parent information session in our school hall from 3.15pm. Please make the effort to attend. Our kids are vulnerable to the potential dangers on the internet. Come along to find out how these risks can be managed.

Finally a reminder that our teachers will be taking strike action on November 15th. We will be attending a meeting in Invercargill to hear the latest pay offer from the Ministry of Education and will vote to either accept or reject it. School will be closed for instruction that day. Please contact us if you have any difficulties with childcare arrangements.

Alerts!!!!

Remembrance Service

On Monday 12th November 2018 we are holding a Remembrance Service at the Limehills Memorial to mark the 100th anniversary of the end of World War One. Parents and members of the community are more than welcome to join us. We will be meeting at the memorial at 1.45pm.

We would like to make some wreaths to place on the memorial. We would really appreciate it if we could please have donations of flowers and foliage so we can make our wreaths. If you are able to donate any items for our wreaths, please can you drop them off at the hall at 9 o'clock on the morning of Monday 12th November so we can make the wreaths.

Swimming

Rooms 1-4 are swimming daily for the two weeks starting 12 November. All children need togs and a towel in a named bag; goggles and cap are optional. All girls need to have hair tied up.

Good luck to Ben Anderson, Jade Hamilton and Kees Cummings who are representing Southland this week in Dunedin.
