## FROM THE PRINCIPAL'S DESK

Thanks to everyone who came along to support Pet Day. We were very lucky with the weather and it was a wonderful day. Well done to our senior students who did an excellent job planning and organising the day.

Plans for 2019 are shaping up very nicely indeed. We appointed a very talented teacher to join us next year. We look forward to introducing you to Kimberley Robinson in due course. Originally from Castlerock, Kimberley has been living and teaching in Western Australia for the last five years and is looking forward to returning home and joining the team at Limehills. Welcome Kimberley!

Finally, all our teachers will be taking strike action on November 15th. This means that our school will be closed for instruction that day, unless mediation between the teachers' union and the Ministry of Education is successful in the meantime. Please make alternative arrangements for your children that day and let us know if you require any assistance.

### John Parsons

Cyber safety expert John Parsons is returning to Limehills on November 13th to work with students, staff and parents. Please keep that evening free and make every effort to hear John's messages about the risks our children are exposed to online and how to keep them safe.

### Alerts!!!!

- ▶ Frankfurters are available tomorrow, \$2 in a named bag. Remember that Subway is available Wednesdays and Fridays.
- ▶ Friday 2 November - No Subway.

## Pet Day

Thank you to everyone who supported our Pet Day; we did appreciate everyone coming along to make the day a success. A special thank you to all the judges, all the parents that transported animals and exhibits, those that helped out throughout the day on various stalls and events and everyone who supported the raffles.

We have been well supported by local businesses recently. Thank you to Rabobank, who generously provided the materials for our beehive shelter and ASB who donated and cooked our delicious BBQ food on Pet Day.
