Kia ora whānau,

What an awesome Pet Day we had! Great weather and lots of smiling faces. We all took great delight in our wonderful kids - and their pets. It was good to see a great turnout from our parents and the community. Thanks to everyone who came along, especially our judges and well done to our amazing team of senior students who coordinated the day. We are all looking forward to celebrating the Limehills School 150th Jubilee starting tomorrow. Many thanks to everyone involved in getting the school grounds looking outstanding. Just a couple reminders, you have until 4pm Wednesday 15th November to vote in the School BOT election and school will be closed on this coming Monday, 6th November for Teachers only day.

Thank you so much for your ongoing support.

Hunter Murray

Limehills Sign Lights up the Playground

We are really thrilled to see Murphy's Grandmother Helen Coulter's amazing Limehills artwork on our pool wall. Thank you so much Helen for helping make our playground look awesome. Your artwork was the talk of Pet Day on Monday.

Caldwell Family Shout-Out

What would we do without Linda and Trev? Ritchie and Ashton's grandparents have been working tirelessly to get our school to look outstanding for our 150th Jubilee which is happening this weekend. They have been sweeping, gardening, planting and painting. When Linda gets tired of working outside, she takes time out and heads into the classrooms to take reading groups. Ritchie and Ashton's Dad, James Caldwell has also been amazing, coming out to school and getting our new artworks and signs put up around the school.
